# Chapter 1

## Introduction

This manual is divided into three main parts. The first part (chapter ??) is intended for all users, it shows how to startup the robot, login and execute simple commands on the robot. The second part (chapter ??) addresses robot administrators and covers topics like setting up the pcs, configuring network and add new user accounts. The third part (chapter ??) offers some first help in case you need support.

You can always get the latest version of this manual at <sup>1</sup>.

If you have comments, suggestions or would like to add something to the manual, please contact [fmw@ipa.fhg.de](mailto:fmw@ipa.fhg.de).
